CARRER OBJECTIVE

Aspiring engineer with a solid grasp of core principles and a creative problem-solving mindset. Quick to learn, open to feedback, and committed to delivering efficient, team-driven solutions using best practices.

EDUCATION

Chaitanya Bharathi Institute of Technology(A),Hyd Bachelors in Engineering	2023 - Present CGPA: 9.52
SR junior college,Hyd Intermediate	2023 Overall Percentage: 97.7
Telangana Model School,Gavicherla Secondary School	2020 CGPA: 10

TECHNICAL SKILLS

Skills	C, Python, Java, Data Science
Frameworks/Tools	HTML, CSS, JavaScript, Bootstrap, React, Tkinter, SQL, NumPy, Pandas, Node.js, Express.js, MongoDB, Vercel, GitHub
Course Structure	Data Structures, Algorithms, OOPs

PROJECT EXPERIENCE

Full-Stack Java Development Project (Udemy)

Completed a comprehensive project covering full-stack Java development. Implemented Java-based backend with JSP, Spring Boot, and integrated a frontend with React and JavaScript.

Career Skills Workshops

I designed and developed a responsive and professional website for my Career Skills Workshops using HTML, CSS, JavaScript, React, and SQL. This project improved my web development skills and showcased my creativity and problem-solving abilities.

Student-Management system

Built a web-based Student Management System to manage student records, including adding, editing, and deleting student data. Implemented using JavaScript and web technologies to create an intuitive and functional user interface for administrative tasks.

AI-Dashboard

Developed a responsive and interactive AI dashboard using JavaScript and modern web technologies. Showcases data visualizations, UI components, and real-time insights, demonstrating proficiency in front-end development and dashboard design.

LEADERSHIP AND AWARDS

Receiving a scholarship through the Medha Sampurna Shiksha program from the Medha Charitable Trust.

Developing leadership skills as a member of NSS CBIT, actively contributing to various social service initiatives

Volunteered as a trainee to provide career guidance to tribal students in Chinturu (AP) as part of the India Literacy Project initiative with Samaritans for the Nation (NGO).
